Chris,

As required by contract, I am forwarding an electronic copy of WESTON's July 2020 Monthly Progress Report for each of your START5 TDDs with activity this month. This report includes technical and financial information on the project. If you have any questions regarding the content of these reports, please contact the WESTON project team leader assigned to your project.

I will send these reports each month via e-mail. You are receiving this report because you were identified as the WAM in our authorizing document. If this report should be forwarded to a different WAM or you have any problems opening the enclosed attachments, please do not hesitate to contact me.

Thank you,

[Nonresponsive based on revised scope]
